Cancellation of your policy.

Hi Ryotaro,

We recently contacted you to follow up on your policy's renewal documents which we sent you.

Your cover has lapsed.

Our records show that we haven't received full payment for your insurance, which was due on **14 January 2026**. As a result, your Comprehensive Car Insurance policy has cancelled effective from **15 December 2025**, and you no longer have insurance. If you made a part payment, we'll refund this within seven days, unless we've already credited it towards an outstanding premium.

You'll find a summary of what was insured on page two, confirming the policy that's been cancelled. Please check this information and call us if you have any questions or if you need to reinstate your cover.

Kind regards
